

NOTICE TO MEMBERS

We have been informed by the Greenkeeping staff the work planned for the course to core and top dress the greens will not be completed to the planned timescale. We had set aside time from Monday 10th to Friday 21st September where no competitions would be played.

We therefore have no alternative but to reschedule the planned events for this weekend. The September Monthly Medal will be moved to Sunday 7th October.

In addition, the Autumn Meeting which is normally a 2 round event played over the 23rd and 30th September, will be condensed into a single round event played on the 30th.

Thank you for your understanding.
